

TANNER HERRIOTT

CINEMATOGRAPHER, DIRECTOR, PRODUCER

Freelance cinematographer, producer, and director with nearly twenty years of industry experience in a wide range of documentary, commercial, and narrative work throughout the United States and thirty countries. Direct collaborative work with name brands including Citibank, Facebook, The New Yorker, and many others. In addition to client work and on-going digital licensing asset development, current projects include a long-form documentary about rubber stamps and the people and small businesses around them.
